

Level

Credit Management 3 Curriculum

Course

Adding Value "To Your Credit!"

- Management styles, responsibilities and reporting
- Insolvencies & Liquidations
- Legal and third party debt collection
- Credit Law (including the National Credit Act)
- Cash Flow Management and Financial Analysis
- Case Studies

Target Audience

This is the final part of the 3 part certificate course in Credit Management. These courses are for all upcoming credit supervisors and/or managers.

Reporting

Participants and mentors receive email copies of results for each evaluation and for the Exam results, which provide comprehensive details about pace and performance for each exercise in a course.

Certification

Upon successful completion, Credit Skills & Management (Pty) Ltd & the ICM provides a certification, which requires an average composite performance.

Duration

The programme duration is four months of either part-time / distance learning per course. Such is supplied on a National basis at CSM campuses on Saturday mornings. Semesters start in February & July each year.
